

Classic Croatia

10 May to 27 May 2008

Croatia – a stunning country of natural beauty – turquoise seas, jewel-like islands, rugged limestone mountains, cascading lakes, serene pine forests. This timeless land remains relatively unspoilt and bears few signs of its traumatic past. Beautiful cities and towns rich in Roman ruins, medieval castles, Baroque architecture, rich facades and exquisite mosaics create the fairytale experience.

John and Helen Ross specialise in personal, all inclusive, luxury tours. Their tours incorporate extended stays at key destinations to create a slower pace with ample time for relaxation. Join them and a small group of like minded travellers to discover the history, diversity, cuisine, wines and people of one of the most celebrated destinations in Europe.
